

Think and feel?

I need to develop my fluency in English

Lack of fluency limits my possibilities

You have to know English to work in an international company

You HAVE TO know English to work in aviation

Needs a tailored, professional course

People from different countries at the airport

Aviation English - at least ICAO level 4

Works at the airport where the communication must be precise

Messages in English at work

He knows vocabulary but lacks in fluency

Job offers where English is a must

Hear?

See?

Say and do?

Pain

Fear of
university
exams

Lack of
fluency in
speaking with
foreigners

Gain

Pass all
exams at
university

Fluency in
speaking
with
foreigners

Professional
development
